## Environment Awareness 3.Y.B.A Sem.1 4/10/2021

\* you can do to help protect the Earth

- Reduce, reuse and recycle, cut down what you throw away.
- Volunteer for cleanups in your community.
- Educate.
- Conserve water.
- Choose sustainable.
- Shop wisely.
- Use long-lasting light bulbs.
- Plant a tree.

\* Importance of environment.

- The environment plays an essential role in everyone's life.
- It is the only home to all living beings.

\* It is because the environment offers, air, food, water and shelter.

\* We need to protect the environment for future generations.

\* Our environment is what houses and helps our ecosystem grow and thrive.

\* Most of the damage to our environment stems from consumption. What we consume, how much we consume and how often.

\* goal: Promote healthier environments to improve health. by Maryse
